I consent to the jurisdiction of Santa Clara County, California, and I will accept service of process from the person who provided notification under subsection (c)(1)(C) or an agent of such person.

3. I swear, under penalty of perjury, that I have a good faith belief that the material identified by the complainant has been removed or disabled at the URLs identified and will no longer be shown, and that the allegedly infringing content has been voluntarily removed, as requested by you, pending the resolution of this dispute.

4. I have a good faith belief that the material in dispute does not infringe on any copyright for the following reason: **The blogs that posted the material originally – Tankerenemy.com, Zret.blogspot.com and Straker-61.blogspot.com – not only explicitly grant permission to post it elsewhere, but they encourage duplication,** because they all include the following Italian wording: *"E' INCORAGGIATA LA RIPRODUZIONE DEI CONTENUTI DI QUESTO BLOG, CITANDO LA FONTE ED IL LINK"*. In English, these words mean *"Duplication of the content of this blog is encouraged if the source and the link are cited"*. The blog posts in dispute complied with this request by citing the source and the link.

Sincerely,

Paolo Attivissimo
